Marilyn Powell, retiring President BC Chapter

2006 saw the end of an era in BC. At the 2005 AGM, long-serving Chapter President Marilyn Powell announced she would not be seeking re-election as President. At our 2006 AGM held February 3, 2007 in Abbotsford, BC, Marilyn's many contributions were recognized, and she was presented with a beautiful sculpture on behalf of the Chapter Executive and members. National President Chris Gould accepted our invitation to attend our Chapter AGM, and made a presentation to Marilyn on behalf of the National office.

We are excited to announce that Colleen Embree-Jay, former President of the Ontario Chapter, had moved to BC last year, agreed to stand for President and was subsequently elected by acclamation. See the Directors list at the beginning of the Breeder's Digest for a complete list of BC Directors.

At the Stallion Licensing in Richmond, Von Burggraaf (Burggraaf x Neloma, Ahorn) owned by Ed Bowerman, received the highest score of any stallion on the entire National Tour, and was crowned champion of the day. His superb conformation and impressive technique over fences impressed both inspectors and spectators alike. A mare inspection followed. Inspections were also held in Enderby and Kamloops, organized by Leanne Peniuk and Wendy Cooper. The following day, Michael Rabe organized and hosted an inspection at his Hanoverian Sport Horse Farm in Enderby. In the Vancouver North Region, a successful mare and progeny inspection was held in Courtenay.

We are working with organizers of the **MANE EVENT EXPO**, the largest equine expo in Canada, to add the element of breeding to the mostly sport-dominated event. We will be organizing clinics to run on each of the 3 day event showcasing Canadian-bred stallions, mares and foals, with our Young Breeders staffing the trade show booth, and our Senior Inspectors participating as clinicians as we outline the

"Canadian advantage" in warmblood breeding. We are extremely excited to participate this October, and hope to make this an annual event.

We were also very pleased to have two young breeders

from BC on the winning team at the 2006 Canadian Young Breeders Competition held in Olds, Alberta last July. Lisa Poirier and Chelsea Norris came home with top medals.
