BRITISH COLUMBIA

A Message from the BC Chapter President, Colleen Embree-Jay

I would like to take this opportunity to introduce myself as your new Chapter President. I moved to BC from Ontario in December 2005 and was approached by some of your members to stand for the position of President. I am also the Vice Chair of the CWHBA and have served on the Advisory Group with the Department of Agriculture.

It is a strange feeling to be in a position like this when I have met so few of you. I come from the Ontario Chapter as past president there for 9 years, so I do have much experience. However the mountains, ocean, distance and new politics make for a different set of hurdles to overcome.

I have seen some very good horses being bred and showing in BC and after working with some of the members for the past few months, I am beginning to get a picture of how the Chapter has been functioning.

I invite the members of the BC Chapter, past & present, to contact me directly with your concerns and suggestions for making this a greater place to market our warmbloods from. Looking forward to hearing from you, Colleen (250) 923-7986, wispers@telus.net

RIO'S LOVESTORY is a Jumper as well!

It was a day of emotion as Rio's Lovestory W jumped to victory in the first competition of the Canadian Young Horse Development Series, the Fox Run Spring Horse Show held May 27 in Troy, ON.

Just days after the passing of renowned Canadian sire Rio Grande, his daughter won the **Four-Year-Old Division** in her first competitive outing. Bred and owned by Augustin and Christine Walch of W. Charlot Farms, Rio's Lovestory W is a grey Canadian Warmblood mare by Rio Grande out of Lavinia by Lavall I. Ridden by Martien van der Hoeven, Rio's Lovestory W was awarded an impressive style score of 47 and, having posted a clear round for a perfect score of 50, was crowned the winner with a total of 97 points.

"It was the first time that one of our Rio Grande horses was back in the ring after his passing," said Augustin Walch, whose horses took three of the top six spots in the Four-Year-Old Division. "It was very emotional for us to see her go so well at her very first show, and for her to win the class was just incredible."

At the second Canadian Young Horse Jumper Development Series, held June 29 at the Cornerstone Horse Show in Barrie, ON, first place in the **Four-Year-Old Division** went once again to the Canadian Warmblood, Rio's Lovestory W.

Inspection des juments 2007

Trois journées d'inspection des juments sont au programme, jusqu'à maintenant, au Québec en 2007. En Estrie, l'inspection se tiendra à la **Ferme Lahaie**, au 3789 chemin de Ste Catherine, à Sherbrooke, le 29 septembre. Dans la région de Québec, l'inspection aura lieu aux **Écuries O'Neill Rondot**, au 102 Rang des Moulanges, à St-Apollinaire, le 30 septembre. Et dans la région du Saguenay Lac St-Jean, c'est aux **Écuries Hanomar**, au 5704 Chemin St-Isidore, Laterrière, qu'aura lieu l'inspection à une date qui reste à déterminer.

Important Les propriétaires de poulains nés en 2007 provenant d'étalon ayant participé à l'encan des étalons du CWHBA 2006, sont invités à participer à une futurité bénéficiant d'une bourse du CWHBA. Cette futurité a lieu le même jour et au même endroit que l'inspection des juments. Les bourses seront versées en fin d'année lorsque les résultats de chacune des inspections seront compilés.

Les personnes désirant présenter une jument ou un poulain à l'inspection doivent contacter Marie Arsenault
marie_arsenault@videotron.ca

Si vous êtes intéressés à organiser une inspection de juments dans votre région, vous devez regrouper au moins 8 juments au même endroit. Ainsi nous pourrons faire déplacer les juges d'inspection. Contactez nous!

À noter : La licence des étalons aura lieu le samedi 1er septembre 2007, à la Ferme Beaulieu, au 2376 3ième Rang, Ste-Justine-de-Newton. *N'hésitez pas à consulter le site internet de l'association, il est rempli d'informations utiles.*
